PROFESSIONAL SUMMARY

Results-driven Information Technology graduate (S.Kom, GPA **3.70/4.00**) with hands-on experience supporting information systems, managing sensitive data, and solving technical problems. Strong foundation in networking concepts, database management, and Python. Known for accuracy, reliability, and clear communication. Ready to deliver excellent IT Support by ensuring system stability, resolving user issues efficiently, and maintaining high data integrity standards.

PROFESSIONAL EXPERIENCE

IT & Data Systems Intern

Judicial Commission of the Republic of Indonesia (Komisi Yudisial RI) | Jakarta

June 2023 – December 2023

- Managed and secured sensitive institutional databases (judicial records, verdicts, and complaints), ensuring data accuracy, integrity, and confidentiality at all times.
- Identified and resolved data inconsistencies through systematic validation and troubleshooting, improving overall reliability of information systems.
- Produced clear, structured analytical reports for commissioners and leadership that directly supported supervision and judicial candidate selection decisions.
- Partnered with the Data Analysis and Information Center team to maintain system readiness and deliver timely, accurate information for critical operations.

Head of Administration (Kepala Tata Usaha)

SMA Muhammadiyah 16 Jakarta | Central Jakarta

September 2019 – December 2020

- Led full administrative and operational support functions, including document control, correspondence, budgeting support, and internal coordination.
- Ensured smooth day-to-day operations by managing facilities, assets, and staff requests with high responsiveness and attention to detail.
- Strengthened administrative processes and record-keeping systems, enabling teachers and leadership to focus on core educational activities.

Data Operations Staff (Completions Operator)

PT Sigma Cipta Utama (Subsidiary of Telkom Indonesia) | Jakarta

May 2019 – August 2019

- Executed high-volume data entry and system updates from physical documents, digital files, and voice sources with strong emphasis on accuracy.
- Performed rigorous verification and quality checks to eliminate errors in spelling, formatting, and numerical data before system finalization.
- Organized and maintained clean, accessible data records while strictly upholding confidentiality standards required by a Telkom Group subsidiary.

EDUCATION

Bachelor of Computer Science (S.Kom) — GPA 3.70 / 4.00

Universitas Bina Sarana Informatika, Central Jakarta | August 2020 – August 2024

CORE COMPETENCIES

IT Support & Operations	Technical Troubleshooting • Data Integrity & Validation • System Documentation • User Support Mindset
Technical Foundation	Networking Concepts • SQL & Database Handling • Python (PCAP Certified) • Java Basics • Web Programming
Tools & Productivity	Microsoft Office Suite • Cloud Computing Fundamentals • Report Preparation • Process Documentation

CERTIFICATIONS & ACHIEVEMENTS

- Author** — National Journal of Computing and Information Technology (JNKTI) SINTA 5 (2024)
- PCAP: Programming Essentials in Python** — Cisco Networking Academy (2022)
- Software Developer Certification** (2024)
- Completed professional webinars: Intro to Data Analytics (2023) and Cloud Computing (2020)

LEADERSHIP & ORGANIZATION

Student Council Member (OSIS) — SMA Negeri 1 Jakarta | 2016 – 2018

- Coordinated school-wide programs and served as key communication link between students and school leadership, building strong interpersonal, organizational, and stakeholder management skills essential for user-facing IT Support roles.
